

**Pravara Medical Trust's
Arts, Commerce and Science College Shevgaon
Ayurved College Campus, Akhegaon Road, Shevgaon
Perspective Plan
And
Deployment
2017-18 to 2021-22**

❖ About College:

Pravara Medical Trust (PMT), the parent organization of Arts, Commerce and Science College, Shevgaon was established in 1972 by the visionary Padmashri Dr. Vitthalrao Vikhe Patil. The legacy of this organization is continued by Padmashri's worthy son Dr. Balasaheb Vikhe Patil (Padmbhushan Awadree). PMT has been providing quality services to the poor and underprivileged populations in drought-prone, backward areas of this region.

Arts, Commerce and Science College Shevgaon was established in 2013-14. The college operates on a non-grant basis and is affiliated with Savitribai Phule Pune University, Pune. The college offers 02 undergraduate programs in Science from 2013-14 and from Academic Year 2017-18 an undergraduate programme in Arts and Commerce is added. The college is dedicated to the overall development of rural students and provides quality education.

❖ Motto:

“ग्राम्यजनहितं परमं ध्येयम्” (Gramyajanhitam Paramam Dhyeyam)

“The Welfare of the rural people is the ultimate goal.”

❖ Vision and Mission:

➤ Vision:

1. To cultivate a culture of excellence and opportunity in rural areas through the establishment of a leading institute.
2. To offer a transformative educational experience that equips rural students with the knowledge, skills, and resources needed to address local challenges, seize opportunities, and build vibrant, resilient communities that thrive in the 21st century.
3. To engage the potential of rural competency and resources through the establishment of an institute that dedicated to excellence, equity, and opportunity

➤ Mission:

“To deliver high-quality education, practical skills training, and leadership development programs that empower rural students to succeed academically, professionally, and personally, while also serving as catalysts for rural development and prosperity.”

❖ **Aims and Objectives:**

- To achieve academic excellence in higher education.
- To bring higher educational opportunities within the reach of the under privileged sections of society.
- To inculcate value based education to empower the youth for development of the nation.
- To achieve horizontal development through additional career oriented courses.
- To develop an overall personality of the students by providing ample opportunities in co-curricular and extra-curricular activities.
- To develop nexus between educational institution and society for mutual benefits through socio-economic and cultural transformation.
